

DUNCAN CHRISTIAN SCHOOL

Building on Faith, Family & Community

Secondary Math Teacher (Full-time)

[Duncan Christian School](#) is diverse, multi-denominational Christian school located in the beautiful Cowichan Valley on Vancouver Island, midway between Victoria and Nanaimo. If you enjoy exploring the outdoors, you will never be bored in the Cowichan Valley. We currently serve approximately 360 students from preschool through Grade 12, including many indigenous families from Cowichan Tribes.

DCS invites applications from candidates with abilities teaching upper level (Grades 10-12) secondary math. This position begins at the start of the 2018-2019 school year.

We seek teachers who love to build relationships with youth and enjoy working together with colleagues, families, and young people to provide a supportive and welcoming school community for students from many backgrounds. Experience developing relationships with indigenous youth would be helpful. If you love Christ and have a passion in these areas, we would like to get to know you better.
