

# Immanuel Christian School PEI

## High School Teachers

**Position Opening:** Two Full-Time High-School Teachers, One With VP Credentials

**Starting** August 1, 2018

**Full Time**

**Closing:** March 1, 2018

**Immanuel Christian School** website: <http://icspei.ca/>

Immanuel Christian School on beautiful Prince Edward Island is a well-established school, now in its 32<sup>nd</sup> year and in its third year in a new facility. We are blessed with a strong supporting Christian community and wonderfully dedicated teachers. The 2018-19 school year will be our second since expanding to include the high school, structured in two-grade groups - 9/10 and 11/12. We expect to have around 35-40 students next year with two full-time teachers plus some part-time positions and a short-term goal of 50 high school students.

This is an exciting time to join our high school staff! ICS high school has been designed to foster innovative approaches to education with the new high school spaces intentionally created to support an inquiry-based learning. Our goal is to have a culture, curriculum, and methodology that are thoroughly Christ-centred and academically vigorous, that excite students' interest and involvement, cultivate their curiosity and encourage questions, and engage their active participation in the process and their application of what they are learning.

Applicant must evidence a vibrant Christian faith and a high academic standard. Experience with project-based learning (PBL) will be a plus, as will VP training or experience for one of the two positions. Application must include: cover letter, resume, personal statement of faith, philosophy of Christian education, and references.
